Title: National Historical Publications and Records Commission (NHPRC) Grant Program, Budget Form, and Instructions

OMB number: 3095-0013

Agency form number: NA Form 17001

Type of review: Reinstatement of a previously cleared information collection

Affected public: Nonprofit organizations and institutions, state and local government agencies, and Federally-acknowledged or state-recognized Native American tribes or groups, who apply for and receive NHPRC grants for support of historical documentary editions, archival preservation and planning projects, and other records projects

Estimated number of respondents: 144 per year submit applications; approximately 45 grantees need to submit revised budgets

Estimated time per response: 10 hours per application; 5 hours per revised budget

Frequency of response: On occasion for the application; as needed for revised budget.

Currently, the NHPRC considers grant applications 2 times per year. Respondents usually

submit no more than one application per year, and, for those who need to submit revised budgets, only one revised budget per year

Estimated total annual burden hours: 1,665 hours

Abstract: The NHPRC posts grant announcements to their web site and to grants.gov (www.grants.gov), where the information will be specific to the grant opportunity named. The basic information collection remains the same. The NA Form 17001 is used by the NHPRC staff, reviewers, and the Commission to determine if the applicant and proposed project are eligible for an NHPRC grant, and whether the proposed project is methodologically sound and suitable for support.
